St. Tammany Humane Society was established in 1953 and is a private, NO-KILL, non-profit 501(c)(3) organization. STHS is the largest no-kill animal shelter in Louisiana, providing shelter and medical care for homeless cats and dogs until they find their forever home. We are independently governed by a Board of Directors and rely on revenue from our low-cost veterinary clinic, grants and donations from generous members of the community to fund our operations and programs.
